(verse 1)

Db // **Ab //| Eb // Ab //|**

I lose my ability to be afraid

Db // **Ab //| Eb ////|**

When I see the way you love me

All the fears that held my feet to the floor

Db // **Ab //| Eb ////|**

They don't hold me anymore [chorus 1]

(chorus 1)

Db // **Ab //| Eb // Ab //|**

When I see your face, everything changes

In the radiance of your smile

You got this way of chasing away those

Db // **Ab //| Eb ////|**

Shadows that hang around

Db ////| Ab ////| Db ////| Eb ////|

And I fall down again, I'm finding out who I am [interlude] [verse 2]
